

# samaritan**HEALTH** CENTER

## Staff Nurse

### Position Summary

Samaritan Health Center, a faith-based free and charitable clinic serving primarily uninsured residents of Durham County and the surrounding communities, seeks a registered nurse for a part-time staff opening. We will also consider an LPN, CNA, or medical assistant with appropriate skills and experience.

This position is for Mondays at our University Drive Clinic.

### Principal Duties and Responsibilities

1. Vitals and triage, preparing patients to see clinicians in a timely manner.
2. Drawing, processing, and ordering lab samples, both in house and to send out.
3. Liaising with LabCorp as needed.
4. Assisting with procedures, EKGs, wound care, injections, and hearing/vision tests as requested by clinicians.
5. Assisting with phone calls, prescription refills, and referral requests as delegated by clinicians and in collaboration with the administrative staff members.
6. Help with teaching patients about their diagnosis, diet, and prescriptions, and answer their questions when applicable.
7. Phone triage for existing patients who call with questions.
8. Collaborating with all staff and volunteers to maintain accurate records.
9. Welcoming, training and managing volunteers in the admitting room and the lab.
10. Ensuring the clinic is clean and restocked after each shift.
11. Collaborating with other staff nurse to ensure compliance with all applicable rules and regulations, to complete necessary controls and proficiency testing, and to place supply orders.

### Required Skills or Abilities

1. Experience and demonstrated abilities for working in a multi-cultural setting.
2. Ability to strongly embrace and personify the mission of Samaritan Health Center.
3. Commitment to Christ and involvement in a local church.
4. Ability to manage details correctly as well as organize and prioritize work appropriately and efficiently.
5. Excellent customer relations, teamwork, and communication skills.
6. EHR experience and adaptability.
7. Spanish fluency is helpful, but not required.

### Required Knowledge, Experience or Licensure/Registration

1. Active North Carolina license required; bachelor's degree in nursing strongly preferred.

**Salary**

1. Commensurate with experience

**Time Commitment**

1. Monday 12-5 PM clinic at University Drive
2. Occasional meetings, lab testing, etc., as requested for clinical management

**Working Conditions**

1. Clinical setting.
2. OSHA Category I: Highly likely to produce blood or body fluid exposure.

**To Apply**
